

## Radiant EZ-20

EZ-20 is a lightweight and high density LED video display. EZ-20 stands out with its brightness, 20mm pixel pitch, 47% transparency factor, Quicklock technology, and phenomenal speed.

- Dimensions: 64cm\*64cm\*10cm/25.2in\*25.2in\*3.9in
- Weight: 5500g
- Panel Color: WHITE/BLACK
- LED cells: 1024 RGB SMD
- Cell pitch: 20.0mm
- Lamp life: 100,000 hours estimated average
- IP Rating: IP65
- Max drop: 20 piece panel
- Beam angle: 120°
- Brightness: 4800CD/m<sup>2</sup>
- Working voltage: 90-264VAC
- Power consumption: <350W
- Controller: ROE-CS-901M
- Control mode: TCP/IP
- Transparency: 47%
- Video Input: DVI 50/60HZ
- Data Connector style: Neutrik RJ45
- Power connector style: Neutrik Power connector (20AMP)
